

Game Payment Express

A fast, app-free cashless experience – perfect for occasional players.

Players simply scan a QR code on a Game Payment-enabled machine and are directed to a secure web form. Funds are transferred directly to the machine, and any withdrawals automatically return to the card used.

KEY FEATURES:

- No app or signup required.
- Ultra-fast setup – scan, pay, play.
- Available on most digital machines.
- Secure payments protected with industry-leading encryption.
- Collections made direct to the original card.

SAFER GAMBLING MEASURES:

- £100 of net spend per week betting limit.
- From the 2nd session deposit onwards, there is a 30-second safety delay before funds reach machine.
- Real-time spend display.
- Players can switch to the Game Payment app to access higher spending limits.

KEY BENEFITS:

- ✓ Boost your revenue by eliminating lost sales from lack of cash.
- ✓ Convenience for your customers.
- ✓ Reduce cash handling, downtime, and maintenance with remote updates.
- ✓ Enhance security with encrypted transactions.
- ✓ Promote responsible gambling.
